

## Content Warning

This exhibition starts with a reminder of the first few months of COVID-19, before introducing the scientists, medical practitioners, volunteers and key workers who were essential to creating, testing and giving the vaccine

Throughout the exhibition:

**General Light levels are medium to low** with some back light screens and spotlights

**Areas with bright lights** have been highlighted

**Louder** areas are highlighted

**Ear defenders** are available on request. Please ask a member of staff.

Also highlighted:

**Seating**

**Interactive** or tactile display

**Low light level**

**Large Print Labels**

Hand-held book of exhibition labels. Please return after use.

During **Relaxed viewings** numbers are limited and where possible sounds are reduced or turned down. Visit [www.nms.ac.uk/events/relaxed-morning](http://www.nms.ac.uk/events/relaxed-morning) to find out more.
